

HFC/Athletic Venue Rental & Usage Policy
In Response to the COVID-19 Virus Pandemic
Date Issued: March 15, 2020

All current reservations and programming involving groups will be suspended through April 5th – this includes the all groups utilizing all areas of the HFC including the pool as well as all other athletic venues.

The venues affected are the following:

- Health & Fitness Center (including the pool and all other usable space)
- Pepsi Arena
- Hall of Fame Room
- QU Stadium
- Legends Stadium
- North Campus Baseball/Softball Complex
- Mart Heinen Softball Complex
- QU Tennis Facility

This includes groups that have regularly scheduled times such as:

- Waterbugs
- Quincy United Soccer
- Quincy Saints W Volleyball
- QMG Exercise Classes and other scheduled fitness classes

The suspension applies to all groups and would include any camps or clinics operated by QU Athletics currently scheduled during this time. Affected groups, camps, and clinics will not lose their time. We plan to re-schedule with each group or extend the current time frame of existing contracts to accommodate the days lost by the current suspension of activities.

The situation will be re-evaluated on April 5th to determine if the suspension will be lifted or continued for an additional set period of time.

The HFC will remain open for individual use only. All areas for individual use will remain available and personal training will be permitted to continue. However, we ask that you follow our guidelines for sanitizing equipment before and after usage. While every effort will be made to sanitize the HFC and other venues, use of this equipment is at your own risk.

No new reservations or activities will be scheduled for the HFC or Athletic Venues until at least May 1st. This includes all events requested by QU personnel as well as community members.

In light of the circumstances surrounding our response to the COVID-19 pandemic, all new reservations after May 1st will be subject to postponement or cancellation at the sole discretion of the university, for any reason or for no reason.
