The first round of CARES Act Emergency Relief Grants was awarded to students through a self-initiated application, available on the student portal May 5-15, where the students reported expenses directly related to the disruption of campus operations due to coronavirus (including eligible expenses under a student's cost of attendance, such as food, housing, course materials,

technology, health care, and child care). Students were asked to indicate the areas where they had expenses and to provide an estimated amount as well as to provide receipts for course materials and technology items purchased. Based on the information provided on the application and the students' estimated family contribution (as calculated by the US Department of Education) we determined a maximum amount allowed per application. The maximum amount awarded in this round of funding was \$400. Students awarded funding in this round of funding were notified of their award and checks were processed and mailed to students on May 19, 2020. Students who did not file a FAFSA for the 2019-2020 academic year, who solely had online classes or those who did not report expenses directly related to the disruption of campus operations were not awarded funding in this round of funding.

Quincy University distributed another round of funding for students on September 23, 2020 for the fall 2020 semester. To be eligible for this round of funding, students must complete a 2020-2021 FAFSA. Award amounts in this round of funding were based on the students' estimated family contribution (as calculated by the US Department of Education), with the students with the highest needs, receiving the highest awards.

Quincy University will distribute one more round of CARES Act funding with a distribution date to be determined.

Form Instructions

Completing the Form: On each form, fill out the institution of higher education (IHE or institution) name, the date of the report, the appropriate quarter the report covers (September 30, December 31, March 31, June 30), the total amount of funds awarded by the Department (including reserve funds if awarded), and check the box if the report is a “final report.” In the chart, an institution must specify the amount of expended CARES Act funds for each funding category: Sections 18004(a)(1) Institutional Portion, 18004(a)(2), and 18004(a)(3), if applicable. Section 18004(a)(2) funds includes CFDA 84.425J (Historically Black Colleges and Universities (HBCUs)), 84.425K (Tribally Controlled Colleges and Universities (TCCUs)), 84.425L (Minority Serving Institutions (MSIs)), 84.425M (Strengthening Institutions Program (SIP)); Section 18004(a)(3) funds are for CFDA 84.425N (Fund for the Improvement of Postsecondary Education (FIPSE) Formula Grant). Each category is deliberately broad and may not capture specific grant program requirements. Explanatory footnotes help clarify certain reporting categories. While some items in the chart are blocked out, please note that the blocking of such items is consistent with Department guidance and FAQs and is not definitive. Provide brief explanatory notes for how funds were expended, including the title and brief description of each project or activity in which funds were expended. Do not include personally identifiable information (PII). Calculate the amount of the Section 18004(a)(1) Institutional Portion (referred to as “(a)(1) institutional” in the chart), Section 18004(a)(2) (referred to as “(a)(2)” in the chart), and Section 18004(a)(3) (referred to as “(a)(3)” in the chart) funds in the “Quarterly Expenditures for each Program” row, and the grand total of all three in the “Total of Quarterly Expenditures” row. For the first report using this form, institutions must provide their cumulative expenditures from the date of their first HEERF award through September 30, 2020. Each quarterly report must be separately maintained on an IHE’s website or in a PDF document linked directly from the IHE’s CARES Act reporting webpage.
