

June 2022—May 2023

I am privileged to thank you again this year for the generosity you have shown to Quincy University and our students. As you may know by now, QU continued to receive record-breaking levels of support from alumni across the nation, of all ages, which allows us to continue to serve our students in a way very few institutions of higher learning are able to do.

- ❖ Thanks to you, our highest QU fund goal in our history (\$1.3M) was not only met but exceeded by almost two percent. A special thanks to QU Fund Chair Jim Mooney '70 and his wife and new QU Board of Trustee member Mary Mooney. Their support and leadership of this successful campaign helped fund numerous items across campus, ranging from scholarships to faculty development to homecoming activities and much, much more.
- ❖ In addition to all of this, \$1,199,914 was raised in restricted funds to support academic and athletic programs, student clubs and organizations, and facility improvements.
- ❖ Additionally, our number of donors giving to QU in any fashion was the highest in the past 15 years. Our faculty and staff support remained a remarkable 98% which is unique to our region and most certainly one of the highest percentages of any college or university nationwide.

My wife and I are honored to be members of the Quincy and Quincy University communities and have been privileged to meet many of you. We hope to meet many more of you in the coming months ahead. Thanks again for all you do for QU and our students and for making this such a fantastic year.

It is, indeed, a great day to be a Hawk!

PUT YOUR MONEY WHERE YOUR HEART IS. FUEL YOUR PASSIONS WITH CHARITABLE GIFT ANNUITIES

A charitable gift annuity is a simple contract under which a not-for-profit organization, like Quincy University – in return for a transfer of cash, marketable securities or other assets – agrees to pay a fixed amount of money to the donor for their lifetime. The donor establishes a fund which provides a current tax deduction, plus a stream of tax advantaged income with attractive interest rates.

BENEFITS FOR YOU:

- Lifetime payments
- Income tax deduction
- No probate on donated assets
- Ensure long-term stability for the not-for-profit organization

CALL FOR NOMINATIONS!

**for the Alumni Franciscan Service Award, Rising Hawk Award,
and the Bill O'Donnell Distinguished Alumni of the Year Award**

Quincy University's National Alumni Board invites you to nominate a fellow alum who has achieved professional accomplishments and service to their communities and/or to the university.

Nominations for all awards are solicited annually from faculty, staff, alumni, and friends of the university, specifically in the fall of each year. However, we accept award nominations throughout the year. We encourage nominations to be kept confidential. Submitted nominees are reviewed by Alumni Services and the final selection is made by a committee of the NAB.

The nomination deadline for the 2024 awards is *October 31, 2023*. Submissions after October 31 will be considered for the following year. Self-nominations will not be accepted.

The winners will be announced in the spring and highlighted in the spring edition of QUniverse. Awards will be presented at the 2024 Homecoming Dinner.

Visit the Alumni Award and Feature page at quincy.edu/alumni to nominate a deserving alumni today.
