

Dear Friends of Quincy University,

Stepping into the role of Vice President for University Advancement this year has been both humbling and inspiring. In just a short time, I've seen the deep love our alumni, friends, and benefactors have for this place and the powerful difference your generosity makes for our students.

At Quincy University, our mission is to prepare students to lead lives of meaning, grounded in faith, service, and learning. That mission comes alive because people like you believe in it. You make it possible for students to step onto campus with hope and ambition and to leave with the knowledge, skills, and values to serve the world well.

This past year, your impact was extraordinary. Together, we raised \$19,009,321 — the highest total in QU's history and more than double last year's record. This achievement reflects not only the generosity of leadership-level supporters, but also the thousands of alumni, friends, and community partners whose gifts of every amount are a powerful statement of belief in QU's mission and future.

Your collective generosity is already hard at work across campus: funding scholarships, strengthening academic programs, enhancing campus spaces, supporting student athletes, and creating more experiences our students will carry with them into their lives and careers for many years to come.

Looking ahead, we have an exciting opportunity to build on this momentum — to connect with even more alumni, friends, and benefactors and to ensure every gift is transformed into greater opportunities for our students. Together, we can equip them with the best tools, resources, and support they need to shape a better future for all of us. Together, we are educating and forming the next generation of servant-leaders rooted in our Catholic, Franciscan mission and values.

Thank you for believing in Quincy University and for partnering with us in this important work. The future is bright, and together we can and will make it even brighter.

With gratitude,

Dan Queathem
Vice President for University Advancement

“You make it possible for students to step onto campus with hope and ambition and to leave with the knowledge, skills, and values to serve the world well.”

CALL FOR NOMINATIONS!

for the Alumni Franciscan Service Award, Rising Hawk Award, and the Bill O'Donnell Distinguished Alumni of the Year Award

Quincy University's National Alumni Board invites you to nominate a fellow alum who has achieved professional accomplishments and service to their communities and/or to the university.

Nominations for all awards are solicited annually from faculty, staff, alumni, and friends of the university, specifically in the fall of each year. However, we accept award nominations throughout the year. We encourage nominations to be kept confidential. Submitted nominees are reviewed by Alumni Services and the final selection is made by a committee of the NAB.

The nomination deadline for the 2026 awards is *October 31, 2025*. Submissions after October 31 will be considered for the following year. Self-nominations will not be accepted.

The winners will be announced in the spring and highlighted in the spring edition of QUniverse. Awards will be presented at the 2026 Homecoming Dinner.

Visit the Alumni Award and Feature page at quincy.edu/alumni to nominate a deserving alumni today.
